QRSS Digital Platform

Qld Representative School Sport is adopting the Government's digital identity services, making it **easier and safer** to access school-related online services.

Creating a trusted digital version of 'you'

Who needs to use a digital identity?

Non-state school staff, all parents and independent students need to use their **digital identity, such as QDI or myID,** to access the digital platform.

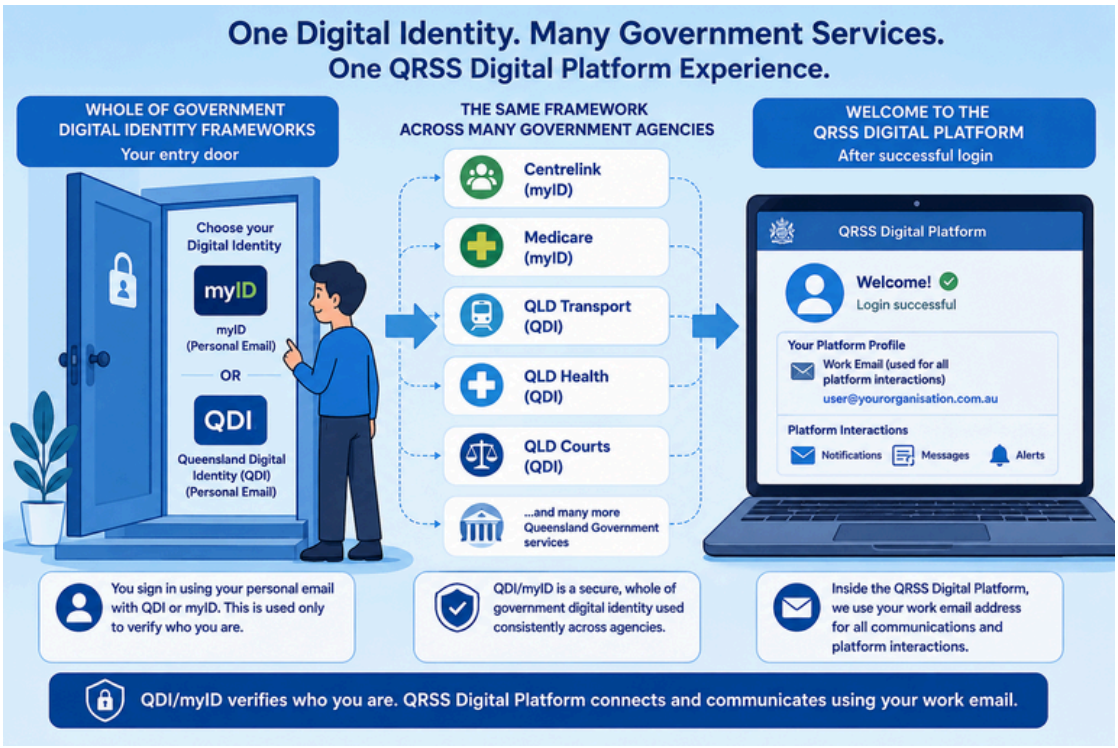

What is a digital identity?

It's a secure way to prove who you are online, replacing **traditional usernames and passwords** to protect your personal information when accessing government services.

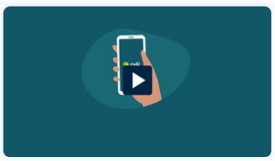

You may already be using a digital identity.

If you use Centrelink, ATO services or myGov, you will likely already have **myID.**
If you have a Queensland Digital Licence, you already have a **QDI.**

myID and QDI - find out more

How to set up your myID

myID - https://www.myid.gov.au/

How to set up your QDI

QDI - https://www.qld.gov.au/digital-identity
