August 2026

QRSS Digital Platform

Qld Representative School Sport is going digital!

A new digital solution is coming which makes consent and permission processes for QRSS events easier, faster and more efficient for QRSS staff and officials, school staff, parents, carers and independent students.

- Remove repetitive form -filling for users. Replace many paper -based forms with electronic forms
- Reduce red tape & streamline permission management process for principals, teachers, sport coordinators
- Safeguard student data through secure capture and storage

ALL CONSENTS AND PERMISSIONS MADE EASIER IN THE PLATFORM

Sport Officer
Create sporting events easily using drop-down lists. Invite school nominations with a few clicks.

School Sport Coordinator
Nominate students to events using built in lists

Parent & Independent Student
Receive invitation for student by email
Provide permission & consent with a few clicks
See event information in one place

Principal/Principal Delegate
Easily approve participation with a few clicks

Event Official
Manage athletes and event details in the platform

Event Convenor
Manage athletes and event details in the platform
Generate reports digitally

HOW WILL I BE TRAINED & SUPPORTED?

The type of training and/or support will depend on your role and include:

- online information sessions
- platform demonstrations
- self-paced short online courses

Information about session times, access to training will be available soon via your Regional & District Sport Officers, and the QRSS website
